CFSA

CFSA Membership

Our membership represents a broad cross section of government, business, and education including Architects, Engineers, Fire Officials, Building Officials, Fire Protection Consultants, Manufacturers, the Insurance Industry, Teachers and Students.

CFSA Members have been instrumental in evaluating and recommending new Canadian fire safety standards.

Benefits

Regular discounts for technical seminars, training sessions, the Annual Education Forum and Trade Show provide an opportunity for members to hear knowledgeable speakers and to exchange views on a wide variety of fire safety topics.

Corporate Members get recognition in each of the four issues of the CFSA news and on our website. In addition, corporate members can post job advertisements on the website for free.

Membership Categories

Corporate Membership is cost effective because it allows any number of individuals from your organization to participate in the many functions provided by CFSA throughout the year. Any number of persons can attend our monthly dinner meetings/technical sessions or our annual conference at the preferred member's rate. Your advertisement in the CFSA journal is circulated to CFSA's membership of over 250 professionals in the Fire Safety Industry.
