CORROSION SOLUTIONS FOR FIRE PROTECTION SYSTEM PIPING

HOSTED BY THE CANADIAN FIRE SAFETY ASSOCIATION

WORKSHOP OUTLINE:

Corrosion is a significant industry problem costing millions of dollars every year. Microbiologically Influenced Corrosion (MIC) and generalized corrosion occurrences have been increasing in both wet and dry sprinkler systems causing systems to fail in a matter of years. This seminar looks to cover the basics of corrosion and what can be done to stop it.

WORKSHOP OBJECTIVES:

Learn about new solutions available to combat corrosion and extend the life expectancy of a fire sprinkler system such as:

- Air Release Vents
- MIC testing
- Nitrogen Generators
- Corrosion Monitoring

ADDITIONAL INFORMATION:

Date:	Wednesday, October 20, 2021
Location:	CFSA Online Learning (Once registered, additional information will be provided regarding the webinar URL)
Time:	9:00 a.m. to 10:00 a.m.
Certificate:	A certificate of attendance will be issued by CFSA at the end of the workshop
Fees:	\$30.65 (including HST) for CFSA members \$38.14 (including HST) for non-members \$15.65 (including HST) for students

WHO WILL BENEFIT?:

This workshop will benefit engineers, designers, consultants, and Authorities Having Jurisdiction (building and fire departments).

INSTRUCTOR'S BIOGRAPHY:

Ralph Coco has been in the fire protection industry for over thirty years. From 1989 to 2000, he was employed with Wheelock as their Canadian National Sales Manager selling fire alarm signaling appliances such as speakers, bells, horns, and strobes.

From 2000 to the present, he has been employed with Potter Electric as their Canadian National Sales Manager selling sprinkler monitoring products such as water-flow, pressure, and tamper switches. A few years ago, Potter started manufacturing nitrogen generator systems to combat corrosion in sprinkler piping.

**REGISTRATION FORM: CORROSION SOLUTIONS FOR FIRE PROTECTION
SYSTEM PIPING**

**Wednesday, October , 2021
By Reservation Only**

Company: _____
Address: _____ City: _____ Province: _____ PC: _____
Tel.: _____ Fax: _____ Email: _____
Name: _____ Name: _____

(CFSA Reserves the right to cancel the course due to insufficient attendance.)

Members: \$26.67 + 3.98 HST = \$30.65
Non-Members: \$33.18 + 4.96 HST = \$38.14
Students: \$13.62 + 2.03 HST = \$15.65

Payment Method:

PayPal (cfsa@associationconcepts.ca)
 Cheque Visa Mastercard Amex

Card No.: _____
Expiry Date: _____ CVV _____
Signature: _____
